This is Spencer. He is unpredictable and duplicitous. Will not hesitate to bite your whole h*ckin arm off. Still 12/10 would definitely pet

On Twitter WeRateDogs account and according to our data the most spread out dog are Golden 158 and Labrador 108 then comes Pembroke 95 and Chihuahua 91 and most of the images are for Pupper stage dogs as people adopt puppies because they are cute and easy to raise them the way they want.

As our data shows us that if the image is good and lovely users mark as favorite and post them to retweet to get rate and the rates should vary according to the viewer sight on the image that's why there is a strong relationship between the retweet and favorite that reach's 91%. we can see that the most retweeted image was for big Labrador Retriever retweeted 77904 and favorite 129020, and the most favorite was for Lakeland Terrier retweeted 49521 only but favorite 144092 time.
